Special meeting on Thursday, February 16, 2006

Dear Chair Kobayashi, Vice Chair Apo and Budget Committee
Members,

As Committee Chair of the Kuli'ou'ou / Kalani Iki Neighborhood Board #2
Legislative Sub-Committee, I am pleased to inform you that it supports measures
to resolve the problem of soaring real property tax assessments. Neighborhood
Board #2 represents over 6,000 households, with a population of almost 20,000
people (State of Hawaii Data Book 2002) in East Honolulu.

We urge you to support all fair and equitable solutions to alleviate the
escalating tax burden on homeowners in their primary residences located in the
City and County of Honolulu.

Sincerely,

Jeannine Johnson, Legislative Sub-Committee Chair & Subdistrict 7
